

Overview of Homes

Through our strategic partnership with Mid-Atlantic Wellness Institute, we operate mental health assisted living facilities where those suffering from mental illness can reside in a safe and healthy environment. Each facility is managed by licensed mental health professionals and we are seeking to expand and develop additional facilities to meet the demands of housing needs for the mentally ill in Bermuda.

Our Mission

It is the mission of the Bermuda Mental Health Foundation to promote the preservation of mental health services in Bermuda and to provide resources that will assist in relieving and rehabilitating persons suffering from mental disorders.

Our Goals

- Raise awareness and combat stigma about mental illness, educating and campaigning to improve mental health services.

people with identified mental health disabilities, to enable them to live and work in the community and enjoy a better quality of life.

- Promote educational activities that develop public awareness and foster acceptance and integration of the mentally ill into the community.

- Assist and encourage the development of active community based support groups for the mentally ill and their immediate families.

- Act as a private advocate group for the rights and needs of the mentally ill in Bermuda.

- Eventually assist in the development of day center and sheltered occupational workshop facilities for the mentally ill who live among us within the community.

“No one who achieves success does so without acknowledging the help of others. The wise and confident acknowledge this help with gratitude.”
